CSCOPE®
Targeted success with quality curriculum

What CSCOPE IS…	What CSCOPE IS Not…
• Guaranteed & viable curriculum system	• A shortcut to STAAR
• Cognitive & content rigor (specificity)	• A parent resource
• Multiple reps of instruction (scaffolding)	• A curriculum "in a box"
• Engaging instruction	• A product
• CIA Triangle	• All about the lessons
• Helps to build capacity in districts	• A prescriptive, scripted instructional system
• Based on Texas State Standards	• A textbook curriculum
• Based on student outcomes… based on targeted evidence	• A shotgun approach
• Responsive to change in state regulations	• A Tier II or Tier III instructional system
• Progressive	• A magic bullet
• Aligned	• A curriculum that expects teachers to be robots
• Systemic	• A data warehouse
• Comprehensive	• Inclusive of benchmark tests
• Implementation support for all stakeholders	• A "wind up and forget" curriculum
• Research-based	• Stagnant
• Tier I instruction	• Thematic across content areas
• Concept-based	• A verb…. Cannot "do" CSCOPE
