

The CISD Board of Trustees took action on December 5, 2019 in a Special Called Meeting of the Board to name Jarod Bellar as the Lone Finalist for the position of Superintendent of Schools. Mr. Bellar began his career as a teacher and coach at CISD and is currently the Superintendent at Baird ISD.

The board is required to wait 21 days from the action to name a Lone Finalist before voting to extend an employment contract to a new Superintendent. The Board plans to vote to employ Mr. Bellar in late December at a Special Called Meeting of the Board and he will officially begin his duties as the CCISD Superintendent on January 6.
