Dear Parent,

Below you will find a link to the Clarendon CISD campuses' State School Report Card. These are reports required by the Texas Legislature and prepared by the Texas Education Agency to be sent to the parent or guardian of every child enrolled in a Texas public school. The report provides information concerning student performance on the State of Texas Assessments of Academic Readiness (STAAR[®]), as well as information on student enrollment, class size averages, and financial expenditures.

The information contained in the School Report Cards is required by state law and is briefly described in the "2017–18 School Report Card Definitions", which is also available on our website. The report for our school may or may not have all the information described because the information presented depends on whether the school is an elementary, middle, or high school.

State law requires that the School Report Card display information about the state, the district, and the school. Where possible, the information must be reported by race/ethnicity and socioeconomic status of the students and must include at least two years of results.

The School Report Cards can be found online at

<http://www.clarendonisd.net/vnews/display.v/SEC/District%7CRequired%20Postings%3E%3EAccountability%20%26%20Title%201%20Reports>

A more complete report about Clarendon CISD, the Texas Academic Performance Report (TAPR), is available by contacting a principal's office or can be accessed online at

Please contact your campus principal if you have any questions concerning this report card. If you would like a paper copy of any of the School Report Cards, contact a campus. Thank you for your continued support of Clarendon CISD.

Sincerely,

Larry Jeffers, HS Principal

Travis Victory, JH Principal

Mike Word, Elementary Principal
