

Agriculture Teacher (CTE)

We are seeking a motivated Agriculture Teacher to deliver hands-on instruction in agricultural science aligned with Texas Essential Knowledge and Skills (TEKS) and Career and Technical Education (CTE) standards. The teacher will prepare students for careers in agriculture, leadership development, and industry certifications while supporting participation in National FFA Organization activities.

Responsibilities include:

- Teach courses such as animal science, plant science, ag mechanics, and agribusiness
- Supervise student projects, including SAE (Supervised Agricultural Experience) programs
- Coach and support FFA teams, competitions, and events
- Maintain shop/lab safety and equipment
- Use data to monitor student progress and guide instruction
- Collaborate with staff, parents, and community partners

Qualifications:

- Bachelor's degree in Agricultural Education or related field
- Valid Texas teaching certification through the Texas Education Agency (TEA) (Agriculture, Food & Natural Resources)
- Strong classroom management and organizational skills
