SHAC MEETING

Wednesday, April 1, 2026

Welcome

Previous business:

- Kids Heart Challenge- They did not attend the recent School Nurse Workshop, but I have emailed them and should be hearing something soon. Hopefully we can get something planned for next school year.
- Smiles in Schools- Met the new dentist. Waiting to see when we can get on their schedule for next year. Should we include JH this year?
- Bed Bugs- Parents notified, Prevention, Detection, and Control information posted, and school treated.
- 5th grade Puberty video- Review permission letter to send home.

New business: No new business- See you next year!

Adjourn
